A blessed Easter season to you!

I am always moved by the sacred season we are in. It is a celebration that death could not stop our Savior. I hope that we will share this celebration together as a Church family.

We are getting close to having all the pictures we need for our Church directory. If you haven't be able to get your picture taken, please contact the office. We will do everything we can to help schedule a good time for you.

Carol Buckner and her team is planning a Community Easter Egg Hunt on Wednesday, April 4th at 6 p.m. It is open to whole community and is a lot of fun with a great message, too!

Carol is preparing for VBS (yes, it is getting close!).

Our students are getting ready for Falls Creek Camp in June and Super Summer Leadership Camp at OU. Please be praying for all of our students.

Finally I would like you to consider this. What can we as a Church do better to reach our neighbors? I am always on the look out for great ideas. If you have one, share it!

Our family hopes that your family has a blessed Resurrection Day and that the powerful truth of the Empty tomb continues to transform us.

Know that you are loved!

Pastor J.

Thanks so much for all the support. We have begun sign ups for Falls Creek, which will be June 11-16, and the cost is \$100. Also we have a select group of kids going to Super Summer, June 18-22. Please begin to pray for this summer because it's going to be an awesome one! We are also going to have girls night this month! God is moving in the youth ministry! Please continue to pray for us, also pray Romans 12.2 over us!

Thank you all so much for everything you do.—Koby

**We are still taking directory pictures. We want every person involved in our Church life to be represented in the new directory.**

**We take pictures on Sunday—before and after Services and we can make a special appointments just for you! Contact the office for more info.**

Did you know that our Church website—[www.eufaulafbc.org](http://www.eufaulafbc.org) has an archive of newsletters from the past years? Keep an eye on the website, it is updated frequently.
