

# THE WINDOW

We want to invite all of our Church family to be here for this series about where First Baptist Church is going and how we can get there. You are also invited to pray with us as we seek God's direction for our Church in the days, months and years ahead. God has been doing amazing things and we want to be ready for what He is doing!

What a blessed Summer!

God has been clearly moving in our Church and we are delighted to see so many new faces in our Church. I have been amazed at how God is working in our Children and Students as well as our Adults. Please keep praying and pray hard! When God is at work we want to be sensitive to His leading and eager to follow Him!

August means that the Summer is coming to a close and we look forward to what is ahead. On Sunday, August 17th we will be honoring and praying for the Teachers and Administrators in

our area. Please encourage any Teacher that you know to join us!

**REMEMBER!** The best way that you can encourage your Church and your Church staff is to be here on Sunday and Wednesday Night. It is so affirming to see God fill His Church with His people each week! I hope that you will join with us!

Know that you are loved!

Pastor J.

We've had a great summer. I ask that you pray for our students as they return to school. Please pray that they view their school as their mission field and that they share Jesus with other students. We are teaming up with North Fork to have a back to school event together August 4. We have had a great summer with Drew Swadley as our Youth Intern. Please be praying for him as him and his fiancé Keana Dixon will be married on August 8th. We know

God is going to do great things through them and we are truly blessed to have a helping hand in shaping Drew for the future and what God has in store for Him. Koby.
