

THE WINDOW

Happy Fall!

I hope that you had a great Summer to spend time with your family and enjoy God's outdoors. The kids are back in school—the new Lake Eufaula Christian School has gotten off to a great start and the Church is blessed to serve these students!

We have had a wonderful Summer at FBC Eufaula. I am amazed at new faces that we meet each week. God is moving in your Church! I hope that it gives you great hope to know that God is still at work and great encouragement to join with God in what He is doing. We have yet to see our finest hour!

Please continue to pray for Me, for Lisa and Sarah and Ethan, and for our Church staff and leadership. God is doing amazing things and we don't want to miss any of it!

I want to thank our Trustees for the hard work they are doing in getting us ready for a new expansion. The work is slow—but we are making progress! They are also leading us to do a much needed replacement of our Sanctuary carpet and sidewalks. Their leadership is giving our Sanctuary a much needed facelift this Fall! Please consider sacrificially giving to help us pay for these upgrades.

What an incredible time it has been!

Lisa and I will celebrate 7 incredible years with the FBC Family on the first Sunday in September. We have come a long way! I am so grateful to serve this wonderful Church family. Thank you for the privilege of being your Pastor!

Know that you are loved! Pastor J.

Join us for our new Message series-

It is September and we are going to kickoff the new school year! On Sunday, September 7, after church we are going to have a youth cook out to celebrate the upcoming 6th grades and the new Freshman in high school. Later that week on September 10 we are going to have a "Kick-off" for the new year for the student ministry revealing our theme for the year "Jesus Is Better." We will have pizza, games, worship, and a message. We will be ordering t-shirts with our theme on them and they will be \$5 a shirt. September 24 is national See You At The Pole day. This is when students across the nation gather at their flag pole to have fellowship and prayer for their friends, school, city, state, and country.

This month is going to be exciting as we will also begin our small groups again starting September 17.

I just want to thank you, church family, for all that you do in support of us and for your continued prayer. Thanks! Koby
