This month is the beginning of CAMP SEASON. The first week of June (1-5) is Super Summer which is our leadership/discipleship geared toward the development of spiritual disciplines, evangelism, and leadership. We will have six students that will be attending Super Summer with the cost at \$195. We raised half of the money for them to go. So I am asking if you would sponsor these students \$100 for each student. If you would like to please contact Koby to let me know.

June 14-17 is Mission OKC in which we will be going into two low income apartment complexes doing a VBS and cookouts. The cost per student for this event is \$35. So if you would like to sponsor a student or give to help with supplies for the mission trip please contact Koby. Please be praying for these two specific events that we are doing. Thank you so much for all that you do and for supporting our ministry. - Koby!
